Section 1 Overview of the Institution

1.1 Overview of Gratia Christian College

- 1.1.1 The Higher Diploma in Christian Ministry (HDCM) Programme is offered by Gratia Christian College (GCC) (宏恩基督教學院) at 5 Wai Chi Street, Shek Kip Mei, Kowloon, Hong Kong (香港九龍石硤尾偉智街5號).
- 1.1.2 The legal entity of GCC, Gratia Christian College Limited, was registered under Companies Ordinance CAP 32 on 20 December 2013. GCC was granted the degree-awarding status for registration under the Post-secondary Colleges Ordinance and Regulations (CAP 320) as a private, independent, and non-profit Christian post-secondary college on 13 July 2015. The ultimate goal of the College is to become a private and independent Christian university in the future.

1.2 Vision, Mission and Values

- 1.2.1 The Vision of GCC is “To be a private independent Christian university that excels in liberal arts and professional education for developing servant leaders to serve the Chinese and global communities with competence and Christian love.”
- 1.2.2 The Mission of GCC is to:
- a) Inspire students to develop academically and spiritually, discover complementation between knowledge and faith, think critically with clarity, act professionally with integrity, and work in teams effectively with humility.
 - b) Provide professional development and life-long learning programmes for staff in partnership with educational, commercial, and religious organizations.
 - c) Engage the Church in inter-faith and inter-cultural dialogues for developing Christian approaches to current and future issues facing the Chinese and global communities.
- 1.2.3 GCC nurtures its students based on the “CHRIST” values:

“C	H	R	I	S	T”
COMMITMENT	HUMILITY	RESILIENCE	INTEGRITY	SERVICE	TEAMWORK

1.3 Desired Characteristics of GCC Graduates

- 1.3.1 It is desired that graduates of GCC:
- a) be knowledgeable and professional;
 - b) learn independently and think critically;
 - c) strive for innovation;
 - d) integrate the “CHRIST” values and faith in whole person development;
 - e) develop self-confidence, social and interpersonal skills;

- f) be a valuable citizen of society with global perspectives; and
- g) apply the principles of servant leadership in life.

1.4 Servant Leadership

1.4.1 The concept of servant leadership is a core element found in GCC's vision. It is one of the graduates' desired characteristics so it is written as a programme objective for all the programmes at GCC. It is also a dominating feature of both the formal curriculum and co-curricular activities.

1.4.2 Adapted from "The Servant as Leader"¹:

"The servant-leader is servant first... It begins with the natural feeling that one wants to serve, to serve first. Then conscious choice brings one to aspire to lead. That person is sharply different from one who is leader first...The best test, and the most difficult to administer, is this: Do those served grow as persons? Do they, while being served, become healthier, wiser, freer, more autonomous, more likely themselves to become servants? And, what is the effect on the least privileged in society? Will they benefit or at least not be further deprived?"

4. Programme Structure and Content

4.1 Features of the Programme Design

- 4.1.1 Given that the Vision of the College is to develop servant leaders with professional competence and Christian love, the HDSW Programme is designed to realize the Vision by developing competent social work practitioners with Christian values and love.
- 4.1.2 The HDSW Programme consists of two curricular components, namely (1) General Education Courses, and (2) Specialised Courses (including two fieldwork placements). The General Education Courses are meant to widen students' perspectives and enhance students' language competence. The Specialised Courses are designed to equip students with the necessary attitudes, skills, and knowledge required for social work practitioners and to build a knowledge foundation for further studies. Fieldwork placement aims at enabling students to put theory into practice and enhancing their confidence and competence in direct social work practice.

4.2 Programme Structure

- 4.2.1 The HDSW Programme curriculum and contents are designed to be fully in line with the requirements of the Social Workers Registration Board as well as the corresponding Generic Level Descriptors of the Qualifications Framework.
- 4.2.2 The HDSW Programme curriculum incorporates 23 courses (81 credits) involving 982 direct contact hours (not including fieldwork placement). The study plan includes 5 semesters within 2 years of full-time study. Each semester consists of 14 teaching weeks (except for the summer semester for block fieldwork placement). A taught course normally consists of 3 contact hours per week for a semester of 14 weeks.
- 4.2.3 The HDSW Programme aligns with the requirement of the Social Workers Registration Board such that social work programmes at the sub-degree level must include at least 700 hours of fieldwork placement and 100 hours of pre-placement preparation. The contact hours for the two fieldwork placements in the HDSW Programme, HSW131 Fieldwork Placement I (352 hours) and HSW251 Fieldwork Placement II (352 hours), amount to 704 hours in total. Each student is required to complete their fieldwork placement in two different social service settings, each consisting of at least 352 hours.
- 4.2.4 A summary of the study areas and credits of the Programme is given in Table 4.1 below. The full list of courses in the Programme and their QF Levels are shown in Table 4.2. The proposed study plan for the Programme is given in Table 4.3. Table 4.4 shows the detailed structure and credits of the Programme.

Section 6 Community Services

6.1 Community Services

- 6.1.1 Since the vision of the College is to develop servant leaders, all full time students have to complete the required hours of community services within their years of study as shown in the table below.

Programme Type	Number of Hours Required	Duration
Degree	20	Within 4 years
Degree (year 3 entry)	20	Within 2 years
Higher Diploma	20	Within 2 years
Diploma	10	Within 1 year

- 6.1.2 The servant comes first in servant leadership. To cultivate such an attitude to life, Gratia puts emphasis on community service and nurturing students to become servant leaders. We reach out first and foremost to districts in our close proximity, and encourage students to apply what they learn to address local and global problems. Our ultimate goal is to nurture in students a twin sense of care and justice, to boost their interpersonal skills, and to instill civic virtue as well as “CHRIST” values.
- 6.1.3 Students may choose to fulfill this obligation either individually or in groups. They may look for the service opportunities by themselves, and/or enroll in programmes which are promoted or organised by the Student Development Office. After participating in community service, students should record their service duration and details in the In-house & Community Service Management System (ICMS).
- 6.1.4 There are special arrangements for students studying on a part-time mode and those full time students working part-time with pay in organisations recognized by the College.
